

Rental vehicle inspection

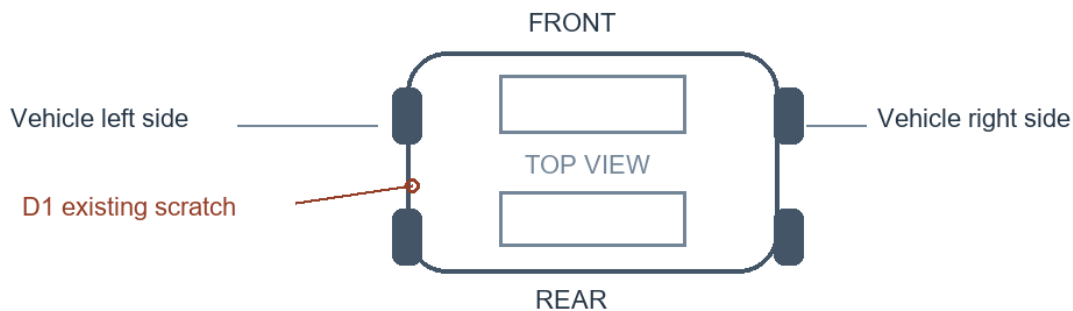

Completed example | Check out | OUT

Field	Record
Rental reference / vehicle	TR-1042 / compact sedan C17 / DEMO-C17
Renter / inspector	Alex Morgan / Jordan Lee
Vehicle released or returned	2026-09-30 10:00
Inspection date time / time zone	2026-09-30 09:50 local
Conditions / limitations	Dry daylight; visible areas inspected
Odometer / unit	24,860 miles
Fuel or charge / return rule	Full fuel / return full
Keys / cable / equipment	2 keys / cable not applicable / no extra equipment

Condition checks

Use OK = checked with no issue observed, I = issue logged, NC = not checked. Record limits. This form does not replace maintenance or a safety assessment.

Area	Status	Notes / damage ID
Body panels and trim	I	D1 existing scratch
Glass mirrors lights	OK	No issue observed
Wheels and visible tires	OK	Visual check only
Seats belts cabin luggage area	OK	No issue observed
Warnings / supplied equipment	OK	No warning observed; 2 keys

ID / location / observation	Photo references / comparison
D1 / left rear door / horizontal scratch approx 4 cm	OUT-07 overview; OUT-08 detail
No other issue recorded in checked areas	Customer reviewed D1 before departure

Example references only; no real rental photo evidence is supplied. Attach overview images and defect details using this rental reference and OUT file prefix.

Acknowledgement and follow up

Renter comments: D1 acknowledged at pickup.

Renter signature or status: _____ Inspector: _____

Copy supplied by / time: _____ Follow-up reference: _____

Acknowledges the observations recorded; does not accept an uncalculated damage charge. Record if the renter is absent or declines to sign.
Training example - no signatures.
